

## PAS YISROEL

The Tur (Orach Chaim, Siman 603), based upon the Talmud Yerushalmi, cites the custom for Jews to be stringent during the Aseres Yimei Teshuva to eat exclusively 'Pas Yisroel' bread. Even those Jews who generally do not exclusively eat 'Pas Yisroel' are encouraged to accept this practice during the period between Rosh Ha-Shanah

and Yom Kippur.

The Mishna in Avoda Zarah (35b) tells us that Chazal forbade pas akum. The Gemara (36b) explains that this was done as a geder to avoid intermarriage. However Tosfos <sup>1</sup> bring a Yerushalmi that says that a later Bes Din removed this issur. The exact extent of this retraction is a disagreement between the Mechaber and the Rama. While all agree that bread baked by an akum for personal use is still forbidden, there are differing opinions as to how careful one must be to avoid eating pas palter, bread baked by an akum for the purpose of selling.

The Rama (Toras Chatas 75:1) says that the general custom is to permit pas palter even if pas Yisroel is readily available, except during Aseres Yimei Teshuva when one should try to be as strict as possible.<sup>2</sup> In Darchei Moshe (O.C. 242) the Rama extends this to Shabbos and Yom Tov as well. The minhag of Ashkenazim is to follow the opinion of Rama.

However, the Mechaber (Y.D. 112:2) says that one may only be lenient to purchase pas palter if pas Yisroel is unavailable or of inferior quality. The minhag of Sefardim is to follow the opinion of the Mechaber.

### Summary of Halachos Pas Yisroel:

- There is a machlokes Mechaber and Rama as to whether one may eat pas palter when pas Yisroel is available.
- It is proper to only eat pas Yisroel on Shabbos Yom Tov and Aseres Yimei Teshuva
- It is pas Yisroel if the Jew puts the dough in the oven
- If the Jew turns on or adds fuel to the fire, bread baked in the oven will be considered pas Yisroel so long as the temperature doesn't drop below 176 F

- Light bulbs and glow plugs do not maintain an oven temperature of 176 F, so they cannot be used to create pas Yisroel
- Only the section of a tunnel oven where krimas hapas takes place needs to maintain 176 F
- Fried or cooked dough is not considered pas and is therefore subject to the laws of bishul akum
- A Jewish owned bakery is eligible for the leniency of pas palter provided it requires many workers to operate.

## O/U Pas Yisroel List For 5782 – 2021

Company/Brand	Product Type
A & B Fish	All products
A. Loacker*	All products are Pas Yisroel
Abadi Bakery*	All items
