SLURPEE FLAVORS- many flavors exist from non kosher sources. They include civet cats, whale, beaver, non kosher grape juice etc. This issue is common in soda, ice drinks, etc. Often cherry and strawberry are colored by an insect solution. All flavoring therefore requires a good Hechscher. One of the most popular drinks are Slurpee's. The following lists can help.

Kashrus alert: Fanta Pina Colada, is Dairy.

This list of kosher Slurpee flavors in the United States was provided by 7-Eleven.

From 7-11: "This is a list of all of the known kosher Slurpee flavors currently in production and available in the United States.

Any Slurpee flavors beyond the list is being sourced by stores outside of approved channels and we have no documentaion of any kosher claims for them."
